

# SPIRITUAL BREATHING

(Revivor Alliance #9)  
Matthew 6:9-15; 18:21-35

To say we believe in the forgiveness of sins not only speaks of the needed and precious forgiveness we receive from God through Christ, but also simultaneously it obligates us to give forgiveness to others.

*Forgiveness, like breathing, is a two-step process when it is working correctly, and when it is working correctly forgiveness brings new health and joy and freedom to our lives.*
