

# 2 for the Sower (b)

## Seed-Living & Barn-Living

### Stewardship: Seed for Sowing #4

#### (Luke 12:13-21)

*Barn-living is about building barns & storing stuff in them. It is for people who believe that true & lasting security, rest & joy are found in the money & possessions they carefully store in their barns. Such people are **fools**.*

*The truly **wise** know their security, rest & joy are found in their relationship to God, & so they pursue the way of **Seed-living**—generously sowing/sharing the resources entrusted to them as God’s faithful Stewc*
