

How to Wreck The Faith - Step 2

2nd Peter: A Faith Worth Defending #4
(2nd Peter 1:20-21)

*To undermine the Christian Faith & replace it with something else, here is a naturally simple & devilishly effective step:
Sell the idea that The Word of God is actually a word of man.*

Notes:

*We will not find
Second Peter
easy to read;
but it is a book
of first-rate
importance
because it was*

written to men who were undermining the Christian ethic and the Christian doctrine and who had to be stopped before the Christian faith was wrecked by their perversion of the truth.

It is Peter's insistence that Scripture does not consist of any man's private opinions but is the revelation of God to men through His Spirit; and that, therefore, its interpretation must not depend on any man's private opinions but must ever be guided by that same Spirit who is still specially operative within the Church. – William Barclay, The Letters of James and Peter, p.314

Prayers of the People & The Lord's Prayer

*Our Father, who art in heaven, hallowed be Thy name.
Thy kingdom come, Thy will be done, on earth as it is in heaven.
Give us this day our daily bread. And forgive us our sins as we
forgive those who sin against us. And lead us not into temptation,
but deliver us from evil, for Thine is the kingdom
and the power and the glory forever. Amen.*
